

Section 3 – External Auditor’s Report and Certificate 2023/24

In respect of **Charlwood Parish Council – SU0018**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2023/24

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review:

- Section 2 of the AGAR does not contain the date of the approval by the smaller authority. We have reviewed the minutes from the meeting where the AGAR was approved which confirm that Sections 1 and 2 were approved in the correct order.

Section 1, Assertion 4 has been incorrectly completed. Information received from the internal auditor highlights the fact that proper provision was not made for the exercise of public rights during the 2023/24 year in relation to the 2022/23 AGAR, since the notice regarding the period for the exercise of public rights was not published before the start of the period.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance Assertions in Section 1, Boxes 2 and 9, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified. The internal auditor has raised the same issues in the completion of the Annual Internal Audit report and their detailed report.

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2024/25 for the exercise of public rights, since the notice regarding the period for the exercise of public rights was not published before the start of the period. As a result, the smaller authority must answer ‘No’ to Assertion 4 of the Annual Governance Statement for 2024/25 and ensure that it makes proper provision for the exercise of public rights during 2025/26.

3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.
